

Workshop on Waves Attenuation by Aqueous Foams

September 20 – 22, 2013

Cargèse, France

Département de Mathématiques d'Orsay

FIRST ANNOUNCEMENT

We are pleased to announce that the celebration of the **Conference on Waves Attenuation in Aqueous Foams**, in combination with the 12th Workshop "*Trends in Numerical and Physical Modeling for Industrial Multiphase Flows*" ("*Modélisations physiques et numériques d'écoulements turbulents et multiphasiques*"), will take place in Cargèse, France, from September 20th to 22nd, 2013. The conference will cover topics that highlight the recent development in physics and simulation of waves attenuation by aqueous foams.

We would like to invite you to participate and contribute to the Workshop by giving an oral presentation.

Professor, Centre des Mathématiques et de
Leurs Applications, ENS Cachan

Scientific Committee :

Michel-Olivier Sturtzer, French-German Research Institute of Saint-Louis.

Jean-François Haas, Commissariat à l'Énergie Atomique, Direction de l'Île-De-France.

Steven Kerampran, Laboratoire Brestois de Mécaniques et des Systèmes.

Gabi Ben-Dor, Ben-Gurion University of the Negev, Beer Sheva (Israel).

Sylvain Faure, Laboratoire de Mathématique d'Orsay.

Jean-Michel Ghidaglia, Centre de Mathématiques et de Leurs Applications, ENS Cachan.

Guillaume Clair, Eurobios.

Call for Abstracts

The deadline for submission is fixed to July 12th, 2013. Abstracts should be laid out in the form of a one-page pdf file and should be submitted to [Guillaume CLAIR](#). The notification of acceptance for authors will be sent on August, the 15th.

Program

The daily program will be published at the beginning of the Workshop on September 20th.

Registration Fees

300 € to be settled on arrival by cheque or directly to Eurobios by bank transfer. In the latter case, you should contact [Véronique ALMADOVAR](#) or [Guillaume CLAIR](#) to get the IBAN.

A receipt will be delivered at the registration desk.

Please note that the costs for travel, accommodation and insurances are not included in the fees. For lodgings and transportation from the Ajaccio 's airport, you can contact [Véronique ALMADOVAR](#) to get further informations.
